On October 31, 1517, a German monk and professor of theology by the name of Martin Luther posted a notice proposing a public debate to discuss abuses on the part of his Church by which she was taking advantage of the poor, distorting her teachings, and potentially endangering the souls of the faithful. Little did he know that this simple act would spark one of the great historic movements in world history which played a role in bringing the Western world into the modern era, and plant the roots of what would come to be known as the Protestant branch of the Christian Church.

world, are commemorating this event which happened exactly 500 years ago as of this October 31st, by hosting a conference presenting the life of Martin Luther, his posting of the famous "Ninety-Five Theses," his teachings on the Cross of Christ, and the power of the Holy Scriptures in shaping the Christian life of the believer. We cordially invite you to join us at this special observance of our annual DFW Reformation Conference Friday through Sunday, October 20-22, 2017.

Cairn University Professor of Theology, Dr. Jonathan Master will introduce us to the historic life, theology and spirituality of the Father of the Protestant Reformation, Dr. Martin Luther (1483-1546).

Dr. Master teaches theology, church history, and New Testament at Cairn. He also oversees Cairn's honors program, part of Cairn's Center for University Studies.

Dr. Master also serves as executive editor of the online magazine Place for Truth, as well as host of the podcast Theology on the Go (both sponsored by the Alliance of Confessing Evangelicals). He has authored the book A Question of Consensus (Fortress Press) and a number of articles, in addition to editing The God We Worship (P&R). Prior to teaching, he served in pastoral ministry for ten years.
